

planTripWindow::on
_enter_button_clicked

```
graph LR; A[planTripWindow::on_enter_button_clicked] --> B[dbManager::loadRemainingCampusNamesOnly];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'planTripWindow::on_enter_button_clicked'. The right box is gray with a black border and contains the text 'dbManager::loadRemainingCampusNamesOnly'.

dbManager::loadRemaining
CampusNamesOnly
